

CYPRESS CHURCH

Galloway, Ohio · Cypress Christian Preschool

Pre-K–K	2026	Refresh	Mobile
Early learning classrooms	Year completed	Existing rooms renewed	Boards, storage, tables

THE VISION

Cypress Church wanted its preschool and kindergarten classrooms to feel bright, welcoming and ready for hands-on learning, with rooms that flex easily from circle time to small groups to center play throughout the day.

DESIGN HIGHLIGHTS

- Child-sized tables for small-group work
- Mobile storage that defines learning centers
- Rolling boards for calendars and lessons
- Open rug areas for circle time
- Bright, durable finishes built for little learners

KAY-TWELVE AS LEARNING SPACE INTEGRATOR

We helped the church plan each early-learning room around how young children actually move, play and learn.

01 Listen
Learned the daily rhythm of the Pre-K and kindergarten rooms

02 Plan
Laid out centers, circle areas and small-group tables

03 Refine
Selected child-sized, durable pieces with church staff

04 Install
Installed and ready for students in 2026

THE RESULT

Refreshed rooms where young learners move easily between circle time, centers and small-group work.
